Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

In reply to the Restriction Requirement mailed Jan. 16, 2007, please enter the following election with traverse.

Claims 11 – 13 and 23 – 25 have been withdrawn.

The claims of group II are elected, namely claims 14 – 22 and 26.

The restriction is traversed on the ground that a single search for the method would also reveal the claimed features in the apparatus claims, since all references describing methods of use also describe mechanical elements for making the use.

The Examiner requests election of species, but does not identify separate species in the restriction. In an attempt to fully respond, the applicant elects the species of Fig. 3 for the means of conversion. Claims 14 – 18, 20 and 26 are generic to all species. Claims 19, 21 and 22 are directed to the species of Fig. 3. The elected claims are all either generic or directed to Fig. 3.

Applicant respectfully requests advancement of the claims to allowance.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on February 13, 2007 by
